DEDICATION

He has been a member of the Governor Dummer faculty for thirty-nine years. He has served as a dorm master, coach, History Department Chairman and Dean of Students. His dedication and willingness to accept challenges have made him a valuable member of the Governor Dummer community. After graduating from Franklin and Marshall College and receiving his master's from the University of Pennsylvania, he joined the Governor Dummer faculty in 1951. His contributions to the Governor Dummer community have been many and significant. He has been hailed as the "conscience of our community" by Headmaster Bragdon. He has travelled to China, Japan and Russia to enhance his own knowledge and enrich the understanding of his students.

For his dedication and devotion to the Governor Dummer community, we respectfully dedicate

The 1990 Milestone

to

DAVID MICHAEL WILLIAMS

The Man in the Glass

When you get what you want in your struggle for self,
And the world makes you king for a day,
Just go to the mirror and look at yourself,
And see what that man has to say.
For it isn't your father or mother or wife,
Whose judgement upon you must pass.
The fellow whose verdict counts most in your life
Is the one staring back from the glass.
Some people might think you're a straight-shootin' chum,
And call you a wonderful guy.
But the man in the glass says you're only a bum,
If you can't look him straight in the eye.
He's the fellow to please, never mind all the rest,
For he's with you clear to the end.
And you've passed your most dangerous, difficult test,
If the guy in the glass is your friend.
You may fool the whole world down the pathway of years,
And get pats on your back as you pass.
But your final reward will be headaches and tears,
If you cheated the Man in the Glass.

CLASS OF

1990

Be true to your school, just like you would to your girl.

- Mike Yeagley
Taken from the Beach Boys

The melody of loving,
The harmony of fate,
The bridges of wonder,
The squeaking of hate.
The high notes of laughter,
The low notes of tears,
The song of desire,
The symphony of fears.

Judy Livingston

We all came together over the course of four years. We came to Governor Dummer for different reasons, but the reasons we stayed were the same. There is something special which we all feel. For some it may come in the form of pride of wearing the cardinal red school colors; for others it's the knowledge that many of the relationships made here will last a lifetime. GDA is not paradise (where is paradise and how do you get there), but we surely will miss this school and the people we have met here.

FACULTY

IN MEMORIAM

Joanna Grugeon, a master teacher of English at Governor Dummer Academy for the past 12 years, died December 27, 1989, of cancer. She was 50.

"I have done many things," she said recently, "but mostly I think of myself as a teacher." She remained a teacher ("possibly a *master* teacher or *mistress* as in England, but definitely *not* a *master,*") until Thanksgiving vacation, daily tutoring two Asian students.

"Joanna was an inspiring and considerate colleague who held her students to the highest possible standards," says Headmaster Peter Bragdon. "During the past year, she gave us all a lesson in courage and nobility."

A Memorial Service was held at Moseley Chapel on January 7.

An American citizen, Ms. Grugeon began her career here in 1977. She became the backbone of the remedial reading program at the Academy, working with youngsters with reading disabilities and those for whom English is a second language.

She long advocated a teacher exchange with her native England, and she spent school year 1987-88 at Wycombe Abbey, a girls boarding school in Buckinghamshire.

She asked recently that this article include "how deeply grateful I am to Peter Bragdon, who has gone far beyond what one would expect of a headmaster. He has been sensitive and imaginative in making sure I'm properly taken care of, and has given me enough responsibilities so I feel useful. He has given me a sense of dignity and purpose. I have been constantly aware of his goodness to me."

"The staff, faculty and students have been very important to me," she added. "This campus is one of those places that feels like a home."

The *Milestone* was dedicated to Ms. Grugeon for "her dedication to students, command of our language and devotion to the school."

Born in Wolverhampton, U.K., on January 29, 1939, Ms. Grugeon attended The Ladies College at Cheltenham, England, and received her B.A. in English with Honours and her M.A. from Cambridge University.

She began her teaching career at Malory Comprehensive School in Bromley, Kent, and in the U.S. she taught English Language and Literature at Northern Virginia Community College, and middle and high school English at the Washington International School in Washington, D.C.

Ms. Grugeon also had worked as a director's assistant for college productions in England, was director's assistant and stage manager at the Back Alley Theatre in Washington, D.C., and a producer at the Children's Theatre of Alexandria, Va. She also worked for the director of the Alexandria Department of Recreation and Cultural Activities, and has been editor of a variety of publications and research papers.

She is survived by her two children, David Gould, class of 1984, a graduate student at Lahore University in Pakistan, and Jessica Gould, class of 1985, of Indianapolis, Ind.; two sisters, Beryl Brown of Victoria, Australia, and Gilly Gilbert of Hayle, Cornwall, U.K.; a half-sister, Amanda Nunney of Kent, U.K., and a half-brother, Martin Grugeon, of Wiltshire, U.K.

LIGHT HILLS

Pale leaves levitate, dizzy,
From the pewter arms of trees.
The great majority are stripped of leaves.
These are not spring's light colors.
The grass, bleached out, not looking to root
Falls on the fields a loose integument
Across old bones.
Late afternoon: milkweed sifts down.
The sky spreads: thin blue to thinnest gray.
Diffused ourselves, we lean
Toward the bronze stand of oak
The thickly woven corn
Barely unraveled into that past
Where trees make light of the hills.

Julia O. Bibbins

I was very nervous about coming to Governor Dummer as a new freshman, but when I arrived I was made very comfortable by my advisor and English teacher, Ms. Grugeon. Ms. Grugeon was a teacher who captivated the English language with such enthusiasm that when she taught, we were eager to learn. Her British accent helped us to stay in tune and also made learning fun! Ms. Grugeon was a great friend to me, especially in times of need. I will never forget what Ms. Grugeon taught me about life and English literature and the friendship that we shared.

Danielle Kealler - '90

Joanna Grugeon and Jessica, her daughter.

I was fortunate enough to have Ms. Grugeon as my freshman English teacher. She always kept after us and made us work. We complained constantly about the amount of work she gave us, but she never let up. What she did however, was the best thing for us. Most people in that class had never really had to work that hard in school before. Ms. Grugeon knew what we would have to go through in the next four years, and she wanted us to be ready. Even after we finished her class, she would always check up on us. She cared about her students as if we were her children. I'll never forget Ms. Grugeon.

Chad Harlow - '90

Not only was Ms. Grugeon a wonderful English teacher, to me she was a great friend as well. I still remember her always staying after class to talk with me when I had problems. She was eager to listen and I could always count on her for advice. Even after I no longer had her for a teacher, we still remained great friends. She specifically sought me out, asking me if I would like to come to her apartment for tea and a chance to talk. Ms. Grugeon had something very rare in most people, true compassion. When I look back on my years here at Governor Dummer, she will always come to mind. I will miss her dearly.

Amy Shafmaster - '90

My freshman year, I received my first "A" on a test. Ms. Grugeon was so proud she did not let it go unnoticed. She made sure that my class shared my excitement. Joanna Grugeon was concerned with our well being. If we were laughing, she laughed and if we were sad, she was sad.

I always wished that I could have her as a teacher again, but that first year will always be treasured by me.

Pierot took his heart and hung it in a wayside wall. He said,
"Look passersby, here is my heart!" But no one was curious.
No one cared at all that there hung Pierot's heart,
That there hung Pierot's heart on the Public wall.
So Pierot took his heartand hid it far away.
Now they wonder where his heart is today.

FALL SPORTS

VARSITY WOMEN'S SOCCER

Varsity Women's Soccer makes it to the Finals again .....

With eight returning seniors and nine returning starters we were able to begin our season where we left off last year. After an unanticipated loss at St. George's, the team pulled together under the leadership of co-captains, Shannon Davenport and Liz Shea. The team always played with the 110% enthusiasm that Coach Casazza expected. For that reason we gave every team a fair fight and often escaped with a win.

The loss of Stacy Budnick mid-season challenged the team to restructure our play and challenged Cathy Burgess to accept the role of goalie, a role she successfully filled and excelled at.

The team seemed to enjoy upsetting our challengers on their parents weekends. We beat BB&N 4-2 and Groton 4-2 (under the coaching of Buzz Davenport who filled in for the Casazzas). The last two weeks of the season were tense as the team needed to win in order to be asked into the New England prep school tournament. At the final game against Thayer, the seniors were prepared to win their last soccer game at GDA, but Coach Casazza had an announcement for the team. Five minutes before kick-off we found out that we seated third in the tournament! We beat Thayer and went into the tournament hoping to WIN.

After shut-out wins in the quarter and semi-finals 4-0 vs. New Hampton and 5-0 vs. Hyde, it looked like we would win. The final game on a FREEZING Sunday at Pomfret School against Canterbury turned out to be a disappointment. At halftime GDA had a 3-1 lead. The second half, Canterbury came back and scored two quick goals. Cathy Burgess going after a ball was tripped and hit her head on the goal post, but stayed in the game for the rest of the game. After regulation the score was tied 4-4. After double overtime, the score was tied 5-5. In a shootout Canterbury got an extra shot past Cathy and won. The game was registered as a draw, but the title went to Canterbury much to the regret of the team.

The season was successful and definitely one that will not be forgotten for many years. Throughout the season, the entire team worked together with strong playing from seniors MVP Shannon Davenport, Kerry Campbell, Margo Doyle, Erin Gurry, Danielle Kealler, Emily Pearl, and Liz Shea. With the loss of these seniors, next year's team will have to work hard, but the experience of co-captains Leah Colangelo and Catherine Tuthill, Cathy Burgess, Nicole LaTour, Meghan Price, Karen Queen, Tara Ryan, Amy Daniels, Cindy White and Nichole Bellaire will provide another strong team. All-league honors went to Kerry Campbell, Shannon Davenport, Liz Shea, and Leah Colangelo.

Those of us leaving will surely miss Liz and Shannon's outfits, Mr. C's "Z" 's, Mrs. Van Ness's cookies, Waveney's pitch, boots and minding her head (you had to when she got the ball!), and Erin's pelvic thrusts, but we wish the best to everyone. We'll miss you. Good luck!!!

MEN'S VARSITY SOCCER

The 1989 Governor Dummer Varsity Soccer Team combined youth, returning veterans, and superb goaltending to lead them to an excellent season. Although the record was 5-7-3, the team grew and improved greatly from each victory and defeat.

Coaches Karin and Nelson led an intense training program during practice which was definitely a plus on the year, especially in the close games when we were able to outlast our opponents. The game that stands out most was that against the I.S.L. Champs Belmont Hill. Due to our personal and team growth, endurance, and outstanding play from all athletes we were able to hold the Hillies to their lowest offensive output of the season, one goal.

Defensive standouts such as David Beatty, Pete Scott, and rookie sensation Jed Murdoch, limited the opposing team's offensive threat throughout the entire season. Great individual skills combined with leadership and a great scoring touch from Shaun Toomey definitely rubbed off on other halfbacks such as Brian Novelline, Kyu Hahn, and Todd Graff. Dave Graichen and Nick Vachon also provided some scoring to lead the Governors to victory. Finally, Artie Zweil's performance in goal this season definitely cannot go unnoticed. Artie's size, strength, and great reflexes kept us in every match, and at times singlehandedly won games.

Good luck to next year's team, who will be led by Captain Brian Novelline.

VARSITY FIELD HOCKEY

The 1989 Varsity Field Hockey Team had a somewhat disappointing season. Although our record was anything but exemplary, the team as a whole showed some significant improvements that will hopefully bring success to next year's team.

Veterans such as captain Alyssa Huber, Jocie Malik, Kate Fyrberg, and Kelli Mello played significant roles in the team's defense. Their experience in keeping the ball out of the circle supported rookie goalie Sharon Ricketts so much, that many attempts at scoring were unsuccessful. It was the strength of the defense that helped keep the team together during times of frustration.

The offense led by Nikki St.Andre, Robin Remick, and Kristen Morgan, proved to be strong fighters that were plagued by the inability to put the ball in the goal. But that was not due to a lack of trying. Hopefully next year the team's luck will be on their side, and they will be able to score a few more goals.

Even though many of the players will be gone for next year, the new captains Nikki St.Andre and Sharon Ricketts are sure to lead the team to victory. I wish the team much success for the upcoming season.

Once again, it was another successful season for the Women's X-Country team. In addition to the four returning harriers - Kate Atkins, Amy Hill, Dede Simons, and Alex Vincent, we gained three talented freshmen - Ilse Abusamra, Karen Filip, and Nellie Godfrey.

All of the team members contributed greatly to the success of the team. The two juniors showed strong leadership. Dede had a strong season, defeated by only three girls in dual and tri-meet competition. Alex displayed good leadership and courage in her role as captain, and was especially effective in guiding the first-time harriers. She made steady progress despite suffering nasty shin splints. The sophomores were comprised of Kate and Amy. Kate continued her success by achieving a status of "All New England Team". She was undefeated in the dual and tri-meet competition and she placed third in both the New England Championships and the ISL's. Amy had an injury plagued season, but greatly supported the team with her high spirits. Of the three freshmen, Ilse had a strong season and was defeated by only seven others in the league. Karen was plagued with injuries in the beginning of the season, but "bounced" back and had a terrific race at the New Englands, placing 29th in her 2nd championship meet. Nellie displayed steady and sure progress throughout the season and aided the team in the New England Championship by placing 77th.

The Varsity Men's Cross Country had a very successful season, even though the record did not show it. With only four returning runners and three previous letter winners, it was a young team to say the least. Seniors Andy Baird (captain), Brian Payne, and Jon Lewis helped provide leadership. New runners Steve Aron, Nick Dunham, and Matt Murphy all placed high in various races. The season culminated with a fifth place finish at the New England Championships in Worcester. Strong races from Steve Aron (22), Nick Dunham (23), Jason Uttam (40), and Andy Baird (41) helped the team to a strong finish.

The team wishes to thank the girls' coach Mr. Abu for a good year, and good luck to next year's captain Nick Dunham and the rest of the team.

Overall, the girls placed 5th out of 10 teams in the ISL's at St. Marks and 6th out of 18 teams in the New England Championships at Westminister School. The girls displayed a great deal of courage when they tackled the wet, muddy, hilly course of St. Marks, but one of the most significant experiences of the season was traveling to Simsbury, Connecticut for the New England Championships. We traveled to Simsbury the night before the race and spent the evening together. After a long ride in the van and a carbohydrate filled dinner, we caught a glimpse of the course by moonlight. It was on this course the very next day, that we scaled almost vertical hills.

This year, Varsity Football was the story of G.D.A. sports for the first time in a while. The team came through with a brilliant season, posting a 5-1-1 record. New Head Coach Paul Sullivan and captains Chad Harlow and Todd Dixon led the way in a season in which the Governors were undefeated in their final six games.

Although it was a total team effort, it is hard not to focus the attention on the wide receiver and defensive back Dixon, who will be attending and playing for Wake Forest next year. Dixon was named to the Boston Globe's ISL All-Scholastic Team at the end of the season.

Junior quarterback Bill Batchelder also had a superb year. He proved to be one of the best passers in the I.S.L. just as Nick Forbes was at running back. The Gov's fearsome defense was patrolled by John Whitesides who led the team in tackles.

Losing but a few key seniors, next year could prove to be great, too. The great season put together by this team, can only send the popularity of G.D.A. football uphill.

WINTER SPORTS

MENS VARSITY HOCKEY

With six Keller Division All-League players, five New England All-Scholastic players, three Keller Division Senior all-stars, and the Keller Division offensive MVP, the Governor Dummer Mens Varsity Hockey team needed little more to prove itself as a contender for the league title and even the New England Prep School Title. An absolute turnaround from the previous season the Varsity team contained 10 seniors who had the experience to know what it takes to win. A 16 - 4 overall record and an eighth seed in the Prep school tournament proved the Governor Dummer team was a force to be reckoned with. Senior Nick Vachon (league MVP and off to B.U.) led the offense with linemate Erik Lacroix (SLU). Vachon and Lacroix can be held accountable for most of the points scored by the Governor Dummer team. Andrew Baird (Alabama - Huntsville) was one of the leagues most efficient penalty killers, as he combined quickness with a pesky style that frustrated every team in the ISL. Brian Payne and Paul Salemme stood out as two of the finest defensive forwards in the league. Joe Crowley and Brian Rodgers provided inspirational spine as they gave 110% every time they hit the ice. Captain Michael Yeagley (SLU) and senior Mike Guilbert (UNH)

WRESTLING

The returning wrestlers were scared by new Coach Graham when he wore a singlet to the first practice. We were under the impression that he thought he was in Iowa and we were afraid that he was going to conduct practices accordingly. However, he wore the more traditional sweatpant and t-shirt combo the next day and we were relieved. Coach Graham then devised a kinder, gentler warmup than in years past by eliminating burpees. In short, he turned out to be a good coach and great guy.

This team had only two seniors, Captain Dave Smith and Bill Evans, so unfortunately the freshmen had to look to juniors John Lipchitz, David Corbin, Phil Gatchell, Aron Dibble, Mike Aron, Todd Amodeo, Brad Panoff, Dan Dalessio, Dan Loring, Jason Uttam, and standout sophomore Nick LaPierre. With these role models, we couldn't expect a lot of wins, pins, or even points from our freshmen, but they secured a few of their opponents and gave us a few laughs.

As a team we had a rough season, losing all but our last two dual meets. In tournaments, we wrestled well with Dave Smith and John Lipchitz getting first, Brad Panoff second, Jason Uttam, Dave Corbin, and Nick LaPierre third in the Christmas Tournament. Dave and Brad placed second in the Graves, with John fourth and Jason fifth.

Thanks to Mr. Finn for his help and good luck to next year's crew.

VARSITY MEN'S BASKETBALL

REKINDLING THE TRADITION

The 1989-1990 Varsity Men's Basketball season was not the story of a team possessing great skills and tremendous individual talent, but a group of young men on a quest for a New England Championship. From the first day of practice each member of the team knew what the goal was. Although the team had an excellent 12-3 record and finished in second place in the league, many still doubted the legitimacy of us as a championship team.

When the tournament started, the team finally gelled combining both the starters and the bench. Don Conley was unstoppable in the post; Chad Harlow did it all and hit some big shots; Andre Sheffield was a tremendous scorer, providing needed buckets; Todd Dixon possessed his usual athletic grace and just outplayed opponents; and Kyrie Stevens played steadily at the point guard position, hitting needed three-pointers and passing out assists. The team got great help off the bench. Dave Beatty, Jeff Leggette, Artie Zweil, Bill Batchelder, and Dave Eliot came up with big plays and played some quality minutes.

Good luck to next year's squad and Andre and Billy, next year's captains.

VARSITY VOLLEYBALL

Good luck to next year's team and MVP Dede Simons. Thanks to Mrs. Cahill, Ms. Clark, Ms. Eaton, and Ms. Forcier. Special thanks to manager Stacy Gillis.

by Kelly Mello

Although we had six returning varsity players, the team had to overcome a few obstacles this season. With a new coach, a new set up, and a new setter, it felt as though we were all new to the varsity team. We did manage to prove ourselves though, ending the season with a 6-7 record, fifth in the AISGA Tournament and taking a game from the league champions BB&N in the final match.

As we all gradually improved and emerged as a true team our own individual abilities stuck out. Luckily the team will only be losing three seniors; captain Kelly Mello, Jocie Malik, and Danielle Kealler. All three gave 100 percent and will surely be missed next season.

Under the leadership of All-League and All-Tournament player Dede Simons, next year's team looks strong. It will include seniors Merrideth Kalil, Stacia Piacente, and Reagan Jones, juniors Tara Ryan and Amy Daniels, and sophomore Karen Filip. We look forward to watching Tara's unbeatable serves and Dede's victorious spikes again next year.

VARSITY BASEBALL

With the return of six lettermen from the '89 ISL Champs, the year looked promising. Leading the way were seniors Nick Vachon, Mike Guilbert, and Joe Crowley. With a supporting cast of Bill Batchelder, the eventual '90 GDA MVP, Brian Novelline, and Nick Forbes, the team seemed unstoppable. Yet, the year started off rocky, a 4-4 record, but with a supporting cast of Artie Zweil, Kevin Burke, Dave Graichen, and Derek "Don" Milano off the bench, the season took off, and the Governors ended with an 11-4 record. Great defensive plays and powerful hitting highlighted the last half of the season. The team would like to thank the coaches, the fans and the Lacrosse team for the party we did not have.

MENS VARSITY LACROSSE

The GDA Lacrosse team came off a strong '89 season with many new faces. In addition to 12 seniors there were 5 juniors, 6 sophomores, and a freshman. There were also two new members of the coaching staff. Joining Stephen Shea was David Van Ness who with his endless enthusiasm coached the defense; Chris White gave his time and experience to the goalies. The heart of this team were the seniors, especially the captains Brian Rodgers and Chad Harlow.

Perhaps the most memorable facet of this team was its strength in the face of adversity. The team lost Chad Harlow, Bill Evans, Jon Lewis, Nick Tibbits, and Steve Peabody for most of the season. Despite losing these players, the team rose up to beat several strong teams including St. Paul's, Lawrence and the always tough Exeter.

The biggest games may have been the double overtime victory over Pinkerton. The comback from a losing score at halftime was capped by Damian Prescott's goal seconds into the 2nd overtime. The other big game was the defeat of Exeter in which goalie Jason Uttam and the defense

The 1990 Women's Lacrosse team had an extremely good season compared to the past two years. The team did not start out doing that well; it was towards the middle of the season that the team members came together and decided to start winning. Skills improved quickly and the team was on its way to winning some big games. The sweetest victory for the team was the last game against Brooks, we won by a close one point. I will never forget this team and the fun it was to be a captain. The good attitudes and acquired skills made this team a good one and a pleasure to be on.

The Women's Varsity Tennis Team consisted of nine players: seniors Captain Jodi Packard and Kristin Morgan; juniors Dede Simons and Regan Jones; and sophomores Tara Ryan, Candice Denby, Cassie Wickes, Heather Kenney and Loni Solomon. The top four players played consistently in their prospective spots while the bottom five varied with each match. Although we did not have a winning season, the team was a very close one and we had a lot of fun on and off the court, from our wild Friday practices to our team excursions to TCBY. Under the new leadership of coach Paul Caron, we all Achieved personal as well as team goals. We kept our heads high and even when we were down, gave it our all to the very last point.

The team looks strong for next year losing only two seniors, Jodi Packard and Kristin Morgan. Have a great season! I'm going to miss you guys! Good luck Dedes!

VARSITY GOLF

The Varsity Golf squad was chuck full o' talent this year and will be for the next few years. Graduating only one senior this past season, the team will be full of youthful talent with varsity experience next year.

The team finished with a very strong 9-4-2 record through the season, and also finished fifth in the league tournament out of ten teams. Greg Poor was named All-League. He shot an 82 in the tourney. Colin Nix played very well around the greens; Peter Scott could always be counted on to win his match; John Clifford was a competent seventh man; Cathy Burgess played consistent all around golf; Tyson Dion was noted for his clutch putting; while Kyrie Stevens was not known for any particular part of his game, but was the emotional catalyst.

Good luck to next year's captain Tyson Dion and the rest of the team.

PRIZES

THE MORSE FLAG

SHANNON BALLARD DAVENPORT

The Morse Flag was first awarded 77 years ago at the 150th commencement of this school on June 9, 1913, and it has been awarded each year since that time to the senior whose record in all respects has met with the highest approval of the faculty. According to the trust established by the late Rev. Glenn Tilley Morse, a long-time friend and trustee of the Academy, a new flag is provided each year in order that the old flag which has flown over the school during the past year may be given to a member of the graduating class.

Throughout her four years at Governor Dummer Academy she has maintained the highest possible standard in all of her activities. She has chosen the most challenging courses of the school and has excelled. Her teachers have referred to her persistence and seriousness, her diligence and integrity, her quiet power, her willingness to take an unpopular stand. One teacher commented that she was the antithesis of water and will utterly reject all but the highest level in all her goals and actions.

Her ability and determination have consistently earned high honors and this year membership in the Cum Laude Society. Last year she won the Edmund Coffin Colman Scholarship for proficiency in the study of language, and her short story, *Adrian's Love,* won second place in the Murphy-Mercer Short Story Contest. She has won our respect with her perseverance and our hearts with her appealing good nature.

Her accomplishments on the athletic field are almost legendary; she has been sweeper back on excellent soccer teams for four years, teams that have won a New England title and fallen short another time only in a post-game shootout. In the course of her career she has been MVP for three years, All-League for three years, Co-Captain and a Daily News All Star. She has been chosen for the New Hampshire Under-Sixteen Olympic Select Team. Her accomplishments in track have been just as impressive. As a Co-Captain of the track team she provided powerful leadership, helping the team achieve its third New England title and second Independent School Track Association title in a row. She has won first places in the 100-meter dash and she was New England Javelin champion the last two years. Her recent efforts in the javelin not only broke the school record but also the New England Championship Meet record by over seven feet. She has brought to these same activities the same poise and spine which brought her such success in academics.

It is probably appropriate that one of her many services to Governor Dummer Academy was to be a student representative on a committee which defined the mission of this venerable institution for this last decade. She helped fashion the mission and the product.

No statement about her can be complete without mentioning her deep sense of family. All her accomplishments have been shared with her supportive parents and siblings.

THE ACADEMY PRIZE

MICHAEL SCOTT YEAGLEY

Upon the retirement of Headmaster Edward W. Eames in 1959, the underclassmen of the Academy endowed the already existing Academy Prize so that henceforth at each Commencement it could be given "in honor of Edward W. and Eleanor K. Eames so that the qualities they so deeply prized might be prized in turn by future and succeeding classes."

He came to Governor Dummer Academy with a crew cut, a worried but determined look, and a firm handshake. During his first two years here, his sophomore and junior years, more often than not he was tutored every Friday night in order to gain respectable grades, grades which even penetrated the area of honor roll at the end of his junior year. In the process of this determined effort he discovered history and the challenging classes of Mr. Williams as a source of interest and strength. Thus, he leaves here as an ambitious student who places great importance upon understanding and learning.

Similar hard work and discipline have earned him honors and results in sports: he was a significant defenseman on a Governor Dummer hockey team which won the Division II New England title, and this year he was captain and defenseman on a team selected for the New England Play-Offs in Division I hockey, one of eight teams. After his sophomore year he was one of sixty players selected from the nation for the select 17 camp for Olympic training in Colorado Springs. Michael has been a similar stalwart at defense in varsity lacrosse.

All these accomplishments — as great as they are — pale in the presence of Michael's accomplishments as a leader. He was a determined and somewhat lonely President of his class sophomore year. A leader in his presence and determination wherever he appeared, he returned to formal leadership when he spoke last year before the student body, stating that he did not quit on his father and his family during his father's long struggle against death — he would not quit on the student body and his obligations of leadership — he spoke a month after his father's death.

His presidency of the student body has reflected the person. At every juncture of his life Michael lives up to the words of the Cadet prayer of West Point; he has the strength to choose the "harder right over the easier wrong." He epitomizes the committed individual. He talks with ease about pride and each person's contribution to school pride. He has asked for and received the involvement of the students, and has been forthright and effective when advocating for both constructive change and responsible behavior. At the very same time, he can be an advocate and healer.

Recently, Michael was chosen to be one of four hundred young leaders in the nation to receive a scholarship to the American Academy of Achievement which will convene this summer.

To finish with words from our college counselor: "This is a young man who thrives on a challenge, masters it and comes back for more." We are proud of you. Your mother and brother are proud of you. Your father would be proud of you.

The Thorndike Hilton Cup is awarded each year to the ranking scholar in the Senior Class. Meeting the challenges, "making mental efforts under criticism," daring the exploration — this student has begun to engage the world of ideas.

Good job, Art!
Love Mom, Dad, & Alison

Dear Donnie.

Congratulations on the achievement of another milestone. As you advance in life, the following prayer by W.E.B. DuBois should be a perpetual source of inspiration.

Give us grace, O God, to do the deed which we well know cries to be done. Let us not hesitate because of ease, or the words of men's mouths, or our own lives. Mighty causes are calling us — the freeing of women, the training of children, the putting down of hate and murder and poverty — all these and more. But they call with voices that mean work and sacrifice and death. Mercifully grant to us, O God the spirit of Esther, that we say: I will go unto the King and if I perish, I perish - Amen.

You are a very special person.

Eternal Love,
Your Family

Congratulations Peter, We are very proud of you!

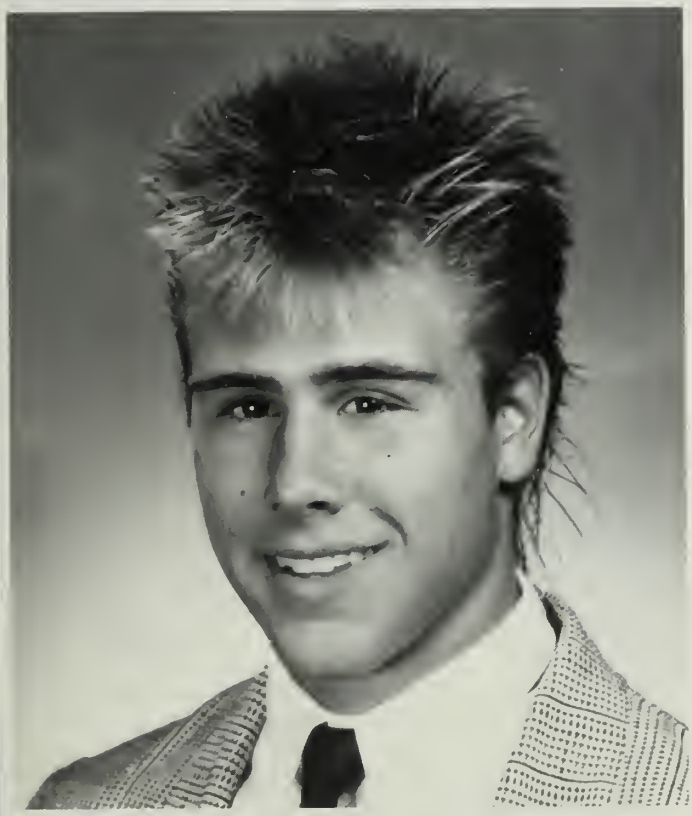
Good Luck, Dave Johnson!



Dear Nicholas,

This poem so accurately expresses our feelings for you.

Love and Happiness,
Mom and Dad

I am so happy
with the direction
that your life
is taking you
All of your decisions and
all of your actions
are so noble and intelligent
I often think about
how you were the same way
when you were a little boy
I hope that you remain so in control
of your life forever
And I want you to know that
sometimes you will make mistakes
and when those times occur
the proudest mother in the world
is always here
to encourage you
to understand you
to talk with you
to support you
and to love you forever

Plan of
Governor Dummer Academy
IN
BYFIELD, MASSACHUSETTS
Established 1763
The oldest college preparatory boarding school for boys in the United States, Governor Dummer Academy was founded in 1763 through the will of Lieutenant Governor William Dummer of the Massachusetts Bay Colony. Now fully co-educational and international in its student constituency, the Academy sees its role as providing society with educated leaders, as well as to encourage in its students self-discipline, confidence based on achievement, fulfillment through sensitivity to the rights of others, personal responsibility and team work. Underlying this goal is the motto of the Dummer family, passed down and often repeated to students. "Au vray courage rein impossible — With true courage, nothing is impossible."
